

EL PASO PASTORS TO PREACH ON THE DUTY OF REGISTERING

Patriotic Sermons Will Be Delivered at Sunday Church Services in El Paso and Over the Country Generally; "Men and Mollycoddles" to Be the Subject of Night Sermon at the Trinity Methodist.

CHURCHES of El Paso, in common with churches of the country generally, will lend their aid on Sunday to the patriotic duty of registering and of buying liberty bonds for service in defense of the country and of liberty.

By suggestion from Washington, Rev. Charles L. Overstreet, chairman of the pulpit and press committee, notified ministers of the El Paso churches during the week that it was hoped the pastors generally would refer in their sermons Sunday to the patriotic duty of registering for national service, and of aiding in the crisis by buying the liberty bonds.

In most of the El Paso churches on either Sunday morning or at the evening service, the pastors will speak on patriotic subjects and explain the duty of Christians in the national crisis.

At the First Presbyterian Church. "Sacrifice, the Supreme Test of Discipleship and Citizenship" will be the subject of the Sunday morning sermon by Rev. Charles L. Overstreet at the First Presbyterian church. In accord with the instructions from Washington, with reference to registration day, the service will lend itself to the purposes of that day, when the manhood of the country will step forth to consecrate itself to the service of the nation.

A vesper service at 7:30 will be held. These vesper services have been most popular and pleasing during the past month and will be continued for the present. It will be an hour of worship and song. The Christian Endeavor society meets at 8:00.

At the First Christian. "Registration, for What?" will be the subject of the sermon by Rev. Perry J. Rice at the First Christian church.

Lift Corns Off With Fingers

Doesn't hurt a bit! Corns and calluses loosen and fall off! Magic!

Few drops of Freezone take all pain and soreness from corns instantly

No humming! Any corn, whether hard, soft or between the toes, will loosen right up and lift out, without a particle of pain or soreness. Wonderful discovery by Cincinnati man

This remarkable drug is called Freezone and is a compound of ether discovered by a Cincinnati man. Ask at any drug store for a small bottle of Freezone, which will cost but a trifle, but is sufficient to rid one's feet of every corn or callus. Put a few drops directly upon any tender, itching corn or callus. Instantly the soreness disappears and shortly the corn or callus will loosen and can be lifted right off with the fingers. Freezone doesn't eat out the corns or calluses but softens them without even irritating the surrounding skin. Just think! No pain at all; no soreness or smarting when applying it or afterwards. Try a little and see for yourself. It is surprising.

Few drops stop corn-pain

Take soreness from any corn or callus instantly

Women should keep Freezone on their dressers and never let a corn arise twice. If a corn starts hurting just apply a drop. The pain stops instantly, corn goes!

Many bottles of Freezone cut but a few cents at any drug store.

TWO CHOIRS TO AID IN SERVICE

Army Changes Will Not Interfere With Fort Bliss Tabernacle Services.

SCRIPTURE
TITUS 2:1-14.

But speak thou the things which become sound doctrine. That the aged men be sober, grave, temperate, sound in faith, in charity, in patience. The aged women likewise, that they be in behaviour as becometh holiness not false accusers, not given to much wine, teachers of good things; That they may teach the young women to be sober, to love their husbands, to love their children. To be discreet, chaste, keepers at home, good, obedient to the Lord, as unto the Lord. The aged men likewise exhort to be sober minded. In all things showing thyself a pattern of good works: in doctrine, showing uncorruptness, gravity, sincerity. Sound speech that cannot be condemned; that he that is of the contrary part may be ashamed, having no evil thing to say of you. Exhort servants to be obedient unto their own masters, and to please them well in all things; not answering again. Not purloining, but showing all good fidelity: that they may adore the doctrine of God our Saviour in all things. For the grace of God that bringeth salvation hath appeared to all men. Teaching us that, denying ungodliness and worldly lusts, we should live soberly, righteously and godly, in this present world. Looking for that blessed hope, and the glorious appearing of the great God and our Saviour Jesus Christ. Who gave himself for us, that he might redeem us from all iniquity, and purify unto himself a peculiar people, zealous of good works.

Sentence Sermons By El Paso Ministers

IN A RINGING message from the Federal Council of the Churches of Christ in America, our attention is called to the fact that we are Christians as well as citizens, and that therefore a double responsibility rests upon us in the present crisis.—Rev. Perry J. Rice, of the First Christian church.

The life time of Christ is measured by eternity. "Before Abraham was, I am." (John 8:58).—Rev. I. N. Langston, of the Highland Park Baptist church.

"It is easy to preach vicarious sacrifice these days, for the world is beginning to see and understand it as never before."—Rev. Chas. L. Overstreet, of the First Presbyterian church.

"Soldiers of Christ, arise. And put your armor on. Strong in the strength which God supplies Through his eternal Son."—Rev. Asher A. Davis, of the East El Paso Presbyterian church.

Listening to the voice of God in nature we are made to feel our smallness; listening to His voice in revelation we are impressed with our greatness.—Rev. C. K. Campbell, of Asbury Methodist church.

Every soul you bring to Christ, will be a living monument to your memory.—Rev. J. H. Allen, of Austin Park Christian church.

Starts Side Show For Sunday's Overflow

New York, June 2.—At almost every night meeting in the Billy Sunday tabernacle here there has been an overflow of from 500 to 2000 persons, which condition has impressed itself upon the mind of the Rev. Dr. Daniel F. Martin. Dr. Martin is the pastor of the Fort Washington Presbyterian church, a few blocks from the tabernacle, and at a meeting he announced that he considered it a splendid idea to throw the church open at night for those who sought in vain to get into the nearby tabernacle.

Dr. Martin, after hearing the suggestion highly approved, asked that a suitable sign be placed upon which when placed outside the church would make it clear that those disappointed at the tabernacle might find religious haven within. He went about his work and in half an hour came back to find all unanimously in favor of this.

"If you cannot get into Billy's barn come into Daniel's den."

Notice.
To the members of the bricklayers union No. 3, of El Paso, you are hereby notified that there will be no meeting Tuesday, June 5, on account of mayor's proclamation.
